Kelsey

Kelsey's zest for life set her apart from her peers. Popular and smart, Kelsey was preparing to graduate from Sault Area High School with her twin sister, Courtney. Her mother, Bonnie, said Kelsey had a huge heart and always put others first.

Cause of death:

Kelsey was talking to a friend on her cell phone when she decided to pass the vehicle in front of her. She misjudged the amount of time she had to safely pass and collided with an oncoming vehicle. The impact killed Kelsey instantly.
